

StretchPaper®

AD/VANTAGE StretchWrap
by **mondi**

THE INNOVATIVE AND SUSTAINABLE PACKAGING SOLUTION
is made from 100% paper and represents an environmentally friendly alternative zu stretch film.

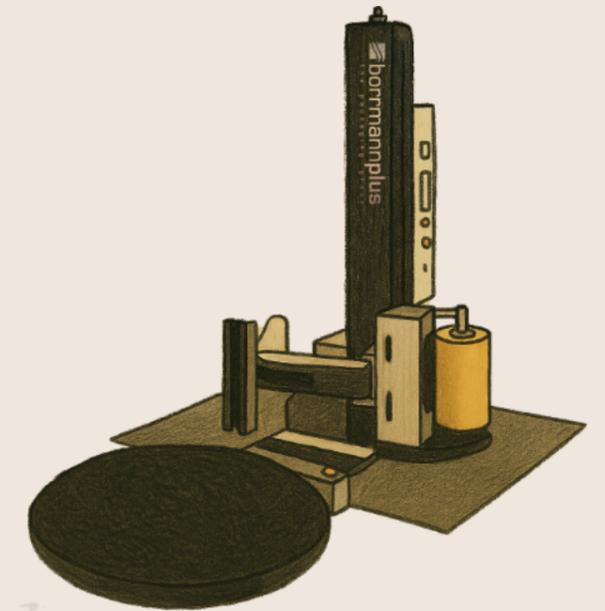

✓ ADVANTAGES

- + Lightweight, recyclable paper
- + Sustainable solution with high recycling value in line with the circular economy
- + Safe transport in accordance with the EUMOS standard
- + High elasticity of the paper (11%)
- + Excellent quality for absorbing tensile energy (TEA)

⚙️ SEMI-AUTOMATIC APPLICATION

- + Automatic wrapping process
- + Automatic gluing unit
- + Automatic paper cutting at the end of the wrapping process
- + Manual loading and unloading of pallets
- + Wrapping of up to 30 pallets/hour

🌿 SUSTAINABILITY

- + Certified compostable material
- + Uncoated paper
- + Recyclable in the waste paper stream
- + Made from renewable raw materials
- + Responsibly sourced fresh fibers (certificates available on request)

✓ ADVANTAGES

- + Higher pallet stability
- + Breathability
- + UV protection
- + Monetizable packaging waste
- + Efficient handling (no adhesion between pallets)
